

COMPANY PROFILE

## ABOUT US

Mezzaria Jewels - A well known name in the B2B diamond jewelry industry since more than a decade, has successfully gained a prominent position along with a satisfied clientele and goodwill as an elite diamond jewellery manufacturer.

Commenced under the leadership of Mr. Jignesh Italiya, and Mr. Mahesh Mangukiya the company proudly boasts their attention to detail, superior quality jewellery and world class craftsmanship that makes it stand apart.

Equipped with state of the art technology in our manufacturing unit, we ace in jewellery making process from scratch to the core. We avail a gamut of jewel options ranging from earrings to necklaces, rings, bracelets, custom made jewellery and more.

We believe in a balanced & progressive work culture which uplifts employees as well as the company, hence we are thorough in our conduct, transparent & work together to achieve our goals & serve our clientele with the best.

## MISSION

We believe in striving continuously to create, innovate & instill new tech & skills to cope up with the trends and set a benchmark in the industry with our class apart products and craftsmanship.

## VISION

We envision to become one of the leading diamond jewellery manufacturer across the globe by consistently innovating, upscaling and delivering unique products to our elite clientele.
